on the life of sundar singh 1889 1929 an indian christian mystic

sundar singh

the life of sadhu sundar singh was most remarkable in its christ likeness he was born amidst

the depths of indian culture and religion and into a sikh family during the early part of his life sundar s mother would take him week by week to sit at the feet of a sadhu an ascetic holy man who lived some distance away in the rainforest but with the death of his beloved mother when he was only fourteen years old the young sundar grew increasingly despairing and aggressive his hatred of the local missionaries and christians culminated in the public burning of a bible which he tore apart page by page and threw into the flames yet before long sundar was intent on taking his own life sundar had arrived at a point of desperation he had decided to throw himself under the ludhiana express if god did not reveal to him the true way of peace at three in the morning he rose from his bed and went out into the moonlit courtyard for the ceremonial bath observed by devout hindus and sikhs before worship he then returned to his room and knelt down bowed his head to the ground and pleaded that god would reveal himself yet nothing happened he had not known what to expect a voice a vision and a trance still nothing happened and it was fast approaching the time for the lothian express he lifted his head and opened his eyes and was rather surprised to see a faint cloud of light in the room it was too early for the dawn he opened the door and peered out to the courtyard darkness turning back into the room he saw that the light in the room was getting brighter to his sheer amazement he saw not the face of any of his traditional gods but of jesus the christ from here on the life of sundar singh became most christ like being unwilling to denounce his master it was not long before his family had rejected him sundar took the saffron robes of the sadhu and began a life of spreading the simple message of love and peace and rebirth through jesus he carried no money or other possessions only a new testament he traveled india and tibet as well as the rest of the world with the message that the modern interpretation of jesus was sadly watered down he visited the west twice traveling to britain the united states and australia in 1920 and europe again in 1922 with the large number of spiritual paths and techniques facing the world of today it is of special value to consider the life and insights of one who truly embraced the simplicity love and freedom offered through devotion to christ i am not worthy to follow in the steps of my lord he said but like him i want no home no possessions like him i will belong to the road sharing the suffering of my people eating with those who will give me shelter and telling all people of the love of god the visions life death man can never be destroyed what happens at death the world of spirits sons of light sons of darkness death of a child death of a philosopher unseen help the correction of error the manifestation of christ a labourer and a doubter the judgment of sinners a good man and a thief secret sins wasted opportunities a wicked man permitted to enter heaven the spirit of a murderer and the spirit of the man murdered the spirit of a liar the spirit of an adulterer the soul of a robber the state of the righteous and their glorious end the death of a righteous man comforting his dear ones the mansions of heaven a proud minister and a humble workman heavenly life the aim and

this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1920 edition excerpt his saffron robe gives him a position the best possible for the acceptance of the message he brings granted the same man and message he would assuredly under any circumstances have won the heart of the indian christian church but being a true sadhu in appearance as well as in spirit has added enormously to his influence and power perhaps nothing has proved more wonderful to christians everywhere than the humility and simplicity of the sadhu s spirit and no one is more filled with wonder than himself when crowds linger about him just to look at his face but the most remarkable results of his being a sadhu are apparent in his life and work amongst non christians this he looks upon as his sworn task naturally his sadhu s robes gain him an entrance to places and to people as nothing else could often in the course of his pilgrimages from place to place he comes across unusual types of indian sadhus and it has been his privilege to discover to the world a marvellous movement towards christianity amongst the most deeply religious men of india the rev j j johnson of the church missionary society who died in 1918 was one of the finest sanskrit scholars in india during the latter part of his life he was set apart by his society for a work he was magnificently fitted for amongst the pandits and learned classes throughout india the story of this work is a romance waiting to be written on his last visit to the south he told us that he believed there were great numbers of the highest castes of india waiting to become christians a statement made after years of intimate relationship with the leaders of religious thought in india but it was reserved for sundar singh to lift the veil and prove the truth of this astonishing
